Kyle Hagood

Education

Virginia Commonwealth University, Richmond VA
Bachelor of Science in Computer Science, certificate in Cybersecurity
Expected Graduation, May 2017

Cumulative GPA: 3.71   CS Major GPA: 3.95

Languages	**Operating Systems**	**Software**
Java, C, Javascript	Windows, Unix	Android Studio

Projects

OSGi Multitenant Cloud Application   *Aug 2016 - Present*

- Spearheaded production of software-as-a-service framework from the ground up
- Researched and implemented specialized technologies for use within the OSGi framework, including Apache Karaf, Apache Maven, and the Apache Aries Blueprint dependency injection framework
- Utilized various other technologies for use within project, including MongoDB, PostgreSQL, Quartz, and Jenkins

Hungr Android Project   *Aug 2016 - Dec 2016*

- Designed and executed production of Hungr, a mobile app which recommends restaurants to its users
- Participated in the production of user stories, scenarios, automated espresso tests and unit tests
- Communicated and worked effectively with team members to ensure deadlines were met

Work Experience

United States Air Force, Little Rock AR
Aircraft Maintenance Technician   *Aug 2006 - Aug 2010*

- Read and interpreted maintenance manuals, service bulletins, and other specifications to determine the feasibility and method of repairing or replacing malfunctioning or damaged components
- Maintained repair logs, documenting all preventive and corrective aircraft maintenance
- Read and interpreted pilots descriptions of problems to diagnose causes
- Accompanied aircraft on flights to make in-flight adjustments and corrections

Other Achievements

Cybersecurity Club   Dean's list every semester   Phi Theta Kappa Honor Society
